

The Defence Health Difference

70+ years supporting the Defence community

We are Australia's longest-serving health fund dedicated to the Defence community.

Not-for-profit. We reinvest for our members.

We reinvest in the health of our members, not for the benefit of shareholders.

Defence-focused expertise

A deep understanding of Defence life, veterans and Defence industry workforces.

Australian-based support

Dedicated customer support team trained in Defence-specific knowledge and support pathways.

Let's Start the Conversation

Supporting healthier workforces across the Defence industry

Whether you're looking to support veterans, improve workforce wellbeing, enhance your employee value proposition or strengthen employee engagement, Defence Health can help.

» Why Defence Employers Partner With Us

» Strengthen your workforce

Today's workforce expects more than a salary. Employees increasingly value organisations that invest in their health, wellbeing and long-term support.

» Attract and retain talent

Enhance your employee value proposition with a meaningful benefit that supports employees and their families.

» Support veteran employees

We understand veteran healthcare needs, DVA pathways and transition challenges.

» Improve workforce wellbeing

Help employees access quality health cover, wellbeing resources and practical support when they need it.

» Dedicated partnership support

A team member that works alongside your organisation from onboarding through to ongoing workforce engagement.

» Benefits for Your Organisation

» Workforce wellbeing programs

Support available for initiatives that promote healthier, more engaged workplaces.

» Health education and awareness

Workshops, webinars and practical health information for employees.

» Veteran transition support

Programs and resources that assist veterans transitioning into civilian employment.

» Tailored communications

Resources and campaigns designed to engage your workforce.

» Scalable partnership solutions

Flexible partnership models designed to grow with your organisation.

» Partnership reporting and planning

Regular reviews and workforce engagement insights to support continuous improvement.

» Benefits for Your People

» Flexible hospital and extras cover options

» Ongoing 7% Veteran Discount

» Mental health and wellbeing support

» No shared extras limits across family members

» Unlimited emergency ambulance cover

» Cover options designed for different life stages and budgets

» Access to preventative health services and programs
